

**AGREEMENT FOR SPONSORSHIP AND GUARDIANSHIP
WHILE ATTENDING MONTE VISTA CHRISTIAN HIGH SCHOOL**

This Agreement is to establish that Educational Consortium Institute (ECI) will act as the student's sponsor and guardian, while _____ is attending Monte Vista Christian High School (MVC). The parents and student understands this program is for high school-age students that have not graduated from a high school in their home country.

We also understand that to graduate, the student must pass a minimum set of required courses and an exit examination as required by California state and local education school boards. This may take two years to complete even if the student enters MVC as a 12th grade student.

We understand that while the student attends MVC, ECI must be the sponsor and that no other sponsor or guardian can be substituted. The student's parents are obligated to financially support the student by providing ECI with proof of financial responsibility and by depositing the necessary funds with ECI, prior to the student's arrival, to cover one academic year of tuition, room, board, sponsorship, and guardianship fees. ECI will, in turn, guarantee the student's fees to MVC will be paid for one academic year.

We understand that the student must arrive with a complete MVC application and that he/she may have to receive further immunizations as required by California state law before entering school. We further acknowledge that we have read and understand the handbook and dormitory rules as established by MVC and ECI.

The student's parents will receive a monthly statement listing any additional expenses, such as books, school physical education uniform, music lessons, homestay fee, summer program, optional tours, etc. These additional expenses are the financial responsibility of the parents and are not included as part of the original fees the parents pay ECI for tuition, room, board, sponsorship, and guardianship fees.

ECI has provided MVC with a letter of support showing that ECI will act as the student's guardian while he/she is attending MVC. As the student's sponsor and guardian, ECI reserves the right to inform Homeland Security for any noncompliance of rules and regulations, or to do so if directed by MVC.

ECI will not accept any student that has not demonstrated he/she has the necessary funds to pay prior to his/her arrival or who does not arrive with a completed MVC application, including all medical and immunization records.

If the student withdraws from MVC or is suspended or expelled from MVC or by ECI for failure to comply with the rules and standards set forth in the Program or School Handbook, we understand that we will not be entitled to receive a refund.

We have read and agree to the terms outlined in this agreement.
